## DULUX® LIFEMASTER®

A Premium Quality,  
100% Acrylic, Zero VOC\* Paint

\*Colourants added to base paints may increase the VOC level up to 8 g/L depending on colour choice.

## A History of Clean Air

Launched in 1992 as Canada's first paint free of volatile organic compounds (VOCs), *Dulux Lifemaster* is our leading 'green' building standards product and is LEED compliant.

# Features & Benefits

Dulux Lifemaster is our **highest quality** Zero VOC\* paint.

\*Colourants added to base paints may increase the VOC level up to 8 g/L depending on colour choice.

The **100% Acrylic** premium formula offers excellent adhesion to most surfaces for a durable finish that can be applied directly over properly prepared alkyd coatings. Self-priming on most surfaces.

A **Zero VOC\*** formula that has low odour so you can paint and occupy your room in the same day.

**EZ Clean Technology\*\*** prevents oily stains like crayons, lipstick, pen and greasy finger and food stains from penetrating the surface of the paint, so they are easily removed.

Dulux Lifemaster is easy to apply, helping you get a **perfect finish**.

**High-Hiding** Formulated to provide excellent coverage and sealing properties, that reduces the need for multiple coats.

Please note: Not all features apply to all sheens.\*\*

## Excellent Paint for Premium Performance

Dulux Lifemaster paint combines 100% acrylic resins with our EZ Clean surface protector to provide superior stain resistance, preventing oily stains like crayons, lipstick, pen and greasy finger and food stains from penetrating the surface of the paint, so they are easy to remove. Dulux Lifemaster provides excellent hide and touch up and dries to a uniform, abrasion resistant finish and will withstand repeated washing. It is easily applied by brush, roller or spray.

## Dulux Lifemaster Low Sheen Eggshell

Offers 100% acrylic latex formulas with excellent hiding delivering a uniform finish. With excellent washability and good application properties, it performs well and meets required performance standards across multiple MPI performance category requirements (MPI 44, 138, and 144), including high performance architectural category of MPI #138. Additionally, this product line with 0 VOC\* contributes toward satisfying LEED® v4 EQ credits due to low VOCs.

## A Full Range of Sheens and Colours

Dulux Lifemaster Low Sheen Eggshell, Eggshell, Flat, Pearl, Pearl Plus and Semi-Gloss finishes are available in a complete line of tinting bases offering the ability to achieve over 6,000 decorator colours, from the lightest off-whites to the deepest, cleanest shades.
